INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of
St. Amant's DCH, Inc.
P. O. Box 2488
Hammond, Louisiana 70404-2488

Report on the Financial Statements

We have audited the accompanying financial statements of the Family Day Care Home Program of St. Amant's DCH, Inc. (a non-profit organization), which comprise the statement of financial position as of September 30, 2014, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Family Day Care Home Program of St. Amant's DCH, Inc. as of September 30, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters – Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of functional expenses, schedule of compensation, benefits and other payments to agency head and schedule of meals served and program reimbursement are presented for purposes of additional analysis and are not a required part of the financial statements. The accompanying schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments and Non-Profit Organizations*, and the audited statement of claims as required by the Louisiana Department of Education, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 25, 2015, on our consideration of the Family Day Care Home Program of St. Amant's DCH, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Family Day Care Home Program of St. Amant's DCH, Inc.'s internal control over financial reporting and compliance.

ST. AMANT'S DCH, INC.
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2014

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

The Family Day Care Home Program of St. Amant's DCH, Inc. (hereafter referred to as the Organization) was established to provide supervised provisions of meals. It serves an average of 1,402 homes per month to primarily low-income, disabled, elderly or other disadvantaged residents of parishes stretching across southeastern Louisiana. It engages in the U. S. Department of Agriculture Food and Nutrition Services under 7 CFR Part 226.

It operates on a fiscal year ending on September 30th, and its significant accounting policies are as follows:

Cash and Cash Equivalents

Cash and cash equivalents consist of cash and demand deposits. For purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Receivables

Accounts receivable are stated at net realizable value. The Organization maintains allowances for doubtful accounts for estimated losses resulting from the inability of its customers/vendors to make required payments. Because collection is expected at 100%, an allowance for doubtful accounts has not been recorded.

Inventory

Inventory is stated at cost. It includes only office supplies and printed materials, the amount of which is considered immaterial. Therefore, the acquisition of these items is expensed when purchased, and the inventory on hand at year-end is not reported in the accompanying financial statements.

Property and Equipment

Property and equipment purchased by the Organization is recorded at cost. They are depreciated using the straight-line method over the estimated useful lives of the assets. Equipment with an original cost of \$1,000 or greater is generally capitalized. Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated assets to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support.

Support and Expenses

The Organization reports administrative and program reimbursements on the accrual basis of accounting. The amounts due to providers are also reported on the accrual basis of accounting. A donor restriction applies to the program reimbursement, and the amount is shown as temporarily restricted net assets. When the donor restriction expires, that is, when the stipulated restriction ends

ST. AMANT'S DCH, INC.
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2014

by payments to the providers, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Donor-restricted reimbursements whose restrictions are met in the same reporting period are reported as unrestricted support.

Expenses are recorded when incurred in accordance with the accrual basis of accounting. Advertising costs are expenses as incurred. There was \$1,000 in advertising expenses paid during the year.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Financial Statement Presentation

The Organization has adopted Statement of Financial Accounting Standards (SFAS) No. 117 *"Financial Statement of Not-For-Profit Organization."* Under SFAS No. 117, the Organization is required to report information regarding its net assets and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets. In addition, the Organization is required to present a statement of cash flows. As permitted by this new statement, the Organization has discontinued its use of fund accounting and has, accordingly, reclassified its financial statements to present the three classes of net assets required.

Income Taxes

The Organization is a not-for-profit corporation that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code.

The federal income tax returns of the company for fiscal years 2011, 2012, 2013 and 2014 are subject to examination by the Internal Revenue Service, generally for three years after they were filed.

NOTE 2 – CASH AND CASH EQUIVALENTS

Cash and cash equivalents consist of the following:

Demand deposits	\$ <u>3,496.83</u>
-----------------	--------------------

Of this amount, \$2,878.26 is maintained in the administrative and provider accounts to be utilized for the family day care home program. The remaining funds are held by the General Fund and can be utilized at the discretion of management.

The agency participates in charitable gaming for which separate accounting and bank accounts are maintained in accordance with rules and regulations applicable to that program through the Office of Charitable Gaming.

ST. AMANT'S DCH, INC.
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2014

NOTE 3 – RECEIVABLES

Receivables are stated at the amount the Organization expects to collect. Management considers all receivables to be collectible at September 30, 2014.

Receivables at year-end consist of the following:

Due from Department of Education	\$ <u>582,820.12</u>
----------------------------------	----------------------

NOTE 4 – ACCOUNTS AND OTHER PAYABLES

Payables at year-end include the following:

Accounts - trade	\$ 44,640.05
Payroll and related expenses	17,639.15
Salaries	35,487.12
Providers	<u>566,220.16</u>
 Total	 <u>663,986.48</u>

NOTE 5 RESTRICTIONS ON NET ASSETS

Substantially all of the restrictions on net assets relate to amounts requested from the State of Louisiana, Department of Education for reimbursement to the providers of meals through the Family Day Care Home Program of the U. S. Department of Agriculture Food and Nutrition Services under 7 CFR Part 226. The amount due to providers requested but not yet received at year end has been accrued in the accompanying financial statements and is listed in the note above.

NOTE 6 – NET ASSETS RELEASED FROM RESTRICTIONS

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purpose during the year as follows:

Purpose restriction accomplished:	
Meals provided	\$ <u>7,142,384.22</u>

ST. AMANT'S DCH, INC.
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2014

NOTE 7 – FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the program and supporting services have been summarized on a functional basis in the schedule of functional expenses. Accordingly, certain costs have been allocated between the program and supporting services.

NOTE 8 - CHARITABLE GAMING

The Organization participates in the State's charitable gaming program. As required by applicable regulations, the funds generated are separately reported and maintained. Other than those related to the conduct of the gaming sessions, expenditures are restricted for the benefit of the Organization's charitable programs.

NOTE 9 – CONCENTRATIONS

Cash and Cash Equivalents. Financial instruments that potentially subject the Organization to concentrations of credit risk consist of cash deposits. Accounts at each institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At September 30, 2014, the Organization did not have bank balances in excess of FDIC insured limits. However, each month the collected balances exceed these limits in the provider's account for a few days each month. The Organization accepts this risk.

Receivables and Revenues. All receivables recorded are due from the Louisiana Department of Education, Division of Nutrition Assistance. Approximately 99% of the Organization's support is paid by the Department of Education, State of Louisiana through the U.S. Department of Agriculture Food and Nutrition Services, Family Day Care Home Program, under 7 CFR Part 226.

NOTE 10 – LITIGATION

We are not aware of any pending or threatened litigation, claims or assessments that are required to be accrued or disclosed in this financial report.

NOTE 11 – SUBSEQUENT EVENTS

There were no subsequent events between the close of the fiscal year and March 25, 2015, the date on which the financial statements were available to be issued, that would materially impact the accompanying financial statements.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Trustees of
St. Amant's DCH, Inc.
P. O. Box 2488
Hammond, Louisiana 70404-2488

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Family Day Care Home Program of St. Amant's DCH, Inc. as of and for the year ended September 30, 2014, and the related notes to the financial statements, which collectively comprise the Family Day Care Home Program of St. Amant's DCH, Inc.'s basic financial statements, and have issued our report thereon dated March 25, 2015.

Internal Control over Financial Reporting

In planning and performing our audit, we considered the Family Day Care Home Program of St. Amant's DCH, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Family Day Care Home Program of St. Amant's DCH, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Family Day Care Home Program of St. Amant's DCH, Inc.'s internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of

deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Family Day Care Home Program of St. Amant's DCH, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that is required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

This report is intended solely for the information and use of management, others within the agency, the Legislative Auditor and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE
FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER
COMPLIANCE REQUIRED BY OMB CIRCULAR A-133**

To the Board of Trustees of
St. Amant's DCH, Inc.
P. O. Box 2488
Hammond, Louisiana 70404-2488

Report on Compliance for Each Major Federal Program

We have audited the Family Day Care Home Program of St. Amant's DCH, Inc.'s compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on its major federal program for the year ended September 30, 2014. St. Amant's DCH, Inc.'s major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts and grants applicable to its federal program.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance of the Family Day Care Home Program of St. Amant's DCH, Inc.'s based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Family Day Care Home Program of St. Amant's DCH, Inc.'s compliance with those requirements and performing such other procedures, as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance of the Family Day Care Home Program of St. Amant's DCH, Inc. However, our audit does not provide a legal determination of St. Amant's DCH, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, St. Amant's DCH, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended September 30, 2014.

Report on Internal Control Over Compliance

Management of St. Amant's DCH, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered St. Amant's DCH, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on its major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with *OMB Circular A-133*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of St. Amant's DCH, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirement of *OMB Circular A-133*. Accordingly, this report is not suitable for any other purpose.
